General Manager - Eden Locke

As GM you will create and shape the opening and the future of the hotel, drive the business and recruit and inspire the team.

Job Purpose

To co-ordinate the operational set up and delivery of SACO's new lifestyle Aparthotel brand - **Eden Locke** in Edinburgh. The property will be a 72 room aparthotel property on George St, Edinburgh. The General Manager will be responsible for the overall operation ensuring that the product, concept, service, operational and financial standards are consistently achieved and exceeded. Central to the role is the delivery of the guest experience which will be achieved through the recruitment, training, development and management of the team.

Locke Overview: We're new and we're different. Locke is a design led aparthotel for those who want to experience the unique and authentic. Connected, social and locally immersed, Locke is for those who want to live the location, no matter what the length of stay.

Why Us? We are creating a new approach to Aparthotels. We're redefining the market by challenging traditional hotel design through spaces that restore, inspire, connect and cultivate our guests and the local community.

Why You? You know your city. You have the passion, drive and commitment to help shape, create and deliver a fantastic opening without the shackles of a corporate approach. A switched on commercial leader with experience in new openings, you are ready to take responsibility for the creation of a special business.

Responsibilities: You will create and take ownership for the business strategy. You will proactively position and launch Locke into the Edinburgh market. You will recruit and lead the team, defining goals and evaluating performance. You will define and shape the guest experience.
